## **Counseling / Coaching / Biofeedback Services Fee Schedule:**

Initial Consultation and Assessment (90791) (*up to 1.5 hours, includes reviewing Informed Consent, biopsychosocial symptom assessment, detailed history, and development of training protocol or treatment plan*) = \$90

16-37 minute (90832) counseling or biofeedback training session (*includes training time, symptom monitoring, and on-going consultation & follow up*) = \$55

38-52 minute (90834) counseling or biofeedback training session (*includes training time, symptom monitoring, and on-going consultation & follow up*) = \$65

53-67 minute (90837) counseling or biofeedback training session (*includes training time, symptom monitoring, and on-going consultation & follow up*) = \$75

Training Packages (*As an incentive to purchase Neurofeedback training sessions in advance, I include a number of additional sessions at no cost with each package*):

10 prepaid sessions (*one additional session is included at no cost, totaling 11 sessions for \$750*) = \$750

20 prepaid sessions (*four additional training sessions are included at no cost, totaling 24 sessions for \$1500*) = \$1500

## **Financial Policies:**

If you miss an appointment without 24 hours notification, a \$75 no show fee will be due at your next session or 1 session from a prepaid Training Package will be forfeited. Emergency cancellations less than 24 hour notice (weather/illness) are handled on an individual basis.

In the event that a check comes back due to insufficient funds, a \$40 fee will be due at your next session.

Out of pocket payment or copay/coinsurance is due at the time services are rendered.

I do accept most insurances at this time. It is your responsibility to provide me with your up to date insurance information. Please note that I contract with DeMonte Medical Billing (888.924.3627), in order to process your insurance claim. If you choose to utilize your insurance benefits for Therapy, I am obligated to bill you at your insurance's allowable rates, and no lower, until your deductible has been met. If you choose to pay out of pocket I will be happy to provide an itemized bill with CPT codes for submission to your insurance company for reimbursement. You can use your Health Savings Account for Therapy/Coaching/Biofeedback services. I do accept credit cards.
